

# SCHOLARSHIPS FOR YOU OR YOUR STUDENT

## Steven McLean, Jr. 2014 Scholarship Recipient

"[The Scholarship] made an impact on him (Scholarship winner, Steven McLean Jr.), beyond the money. It also affected my younger son... [who] now wants to go in a similar direction... [he is] planning to major in Construction Management when he graduates high school. This has truly been a life changing experience for my entire family and I'm not exaggerating."

– Steven McLean Sr., Beyel Brothers Inc.
